

NZX RELEASE ARVIDA RESPONSE TO MEDIA ITEM

23 November 2021 – Arvida Group Limited confirms that a relative of a resident who lives independently at its Ocean Shores village in Mount Maunganui tested positive for Covid-19 yesterday.

The resident has now tested negative for Covid-19. A further surveillance test we will be conducted a few days.

Arvida said 93% of residents at Ocean Shores are fully vaccinated.

Arvida is assisting the Ministry of Health to perform contact tracing and precautionary testing of staff and residents.

About Arvida:

Arvida is one of New Zealand's largest aged care providers owning and operating 38 retirement villages located nationally. Each village operates independently under a corporate structure that supports village operations to ensure quality and consistency of service. Arvida provides over 6,100 residents with a continuum of care that extends from independent living to full rest home, hospital and dementia-level care.

Arvida's growth strategy includes the acquisition of quality villages that meet strict acquisition criteria as well as the development of additional facilities at existing villages and targeted development of new villages in areas that are supported by a strong demographic and economic profile.

Arvida is listed on the NZX (NZX: ARV). Website: www.arvida.co.nz
